### *YOUTH BASEBALL & SOFTBALL SPONSORSHIPS*

Dear Prospective Greenwood Parks & Recreation Youth Sports Sponsor:

We are looking forward to another exciting year in 2019. Greenwood Parks & Recreation is proud to offer even more activities to accommodate the growing desire for community events, including festivals, Movies in the Park and sporting activities such as youth t-ball, baseball, and softball as well as kickball for adults.

Like most non-profit organizations, it takes a lot of capital to offer and maintain an affordable recreational program. To continue to provide a fun and encouraging environment for our community, Greenwood Parks & Recreation requires a tremendous amount of local support.

**We are currently seeking financial sponsors for our t-ball, baseball and softball program.** This is by far the largest ongoing activity that Greenwood Parks & Recreation offers. Please consider helping us continue to deliver a quality sports program for the over 400 boys and girls in the different leagues. Attached is a Sponsor Plan Option Sheet that provides details of the various levels of financial support, along with the benefits that come with your support. Your contribution to the Parks & Recreation program will supplement participation fees and help offset the costs of equipment, player insurance, field maintenance, operational expenses and special projects. What a wonderful way to get advertising exposure for your business and provide support for your local community. Please make your pledge today in support of the Greenwood Parks & Recreation Sports Programs and our area youth – and **help make a difference in their lives!**

You can find out more about the programs being offered and Greenwood Parks & Recreation and our sponsorship opportunities by visiting our website or contacting me directly. The deadline for the 2019 Youth Baseball & Softball sponsorship application is April 1, 2019.
